5. Upon information and belief, a Notice to File Missing Parts for Serial Number 09/954,677, was not received by our docketing department which receives and docketes all correspondence from the U.S. Patent Office. A document dated November 13, 2003, entitled FL_USPTO Form, bearing a Serial Number of 09/654,677 (a copy of which is attached hereto) shows a misstatement of the serial number for our docket number.
6. The undersigned believes that the misstatement of numbers in the Serial Number caused the failure to reply to the Notice of Missing Parts. The undersigned believes

O'Connell is refusing to sign any documents at this time. Neither of such inventors are employees of Oshkosh Truck Corporation.

10. I declare, under penalty of perjury under the laws of the United States of America, that the foregoing is true and correct. I make the statements set forth above of my own personal knowledge, and, if called upon to do so, could testify competently thereto.
